GNU General Public License v3.0

This project is licensed under the GNU General Public License version 3.0 (GPL-3.0).

You are free to:

- Use the software for any purpose.
- Study how the software works, and modify it to suit your needs.
- Share the software with others.
- Distribute copies of your modified versions.

However, all derivative works must also be distributed under the GPL-3.0 license. You must provide access to the source code when distributing the software or derivatives. This helps to ensure that the project remains free for use by everyone.

Disclaimer of Warranty

This program is provided "as-is" without any warranty, express or implied. In no event shall the authors or copyright holders be liable for any claim, damages, or other liability arising from the use or distribution of the software.
